1. The Service.

1.1 Description. The Service consists of a satellite-based Internet access service as further described in this Agreement (the "Service"). Service is in available locations in the contiguous US with an unobstructed view of the southern sky and its usage is subject to Northland Connect Broadband's Fair Access and Acceptable Use Policies. **Please note the following limitations applicable to use of the Service: VOIP services do not work over the WildBlue network. Online gaming activities may experience performance degradation over the network, including latency effects. VPN applications may not perform, or may perform poorly, over the WildBlue network and are not recommended.**

1.2 Minimum System Requirements. Your computer must meet certain minimum requirements to receive the Service as set forth on our website, www.northlc.com/equipment. It is your responsibility, at your expense, to obtain, maintain, and operate suitable and fully compatible computer equipment required to access the Service. You are also responsible for all telephone charges incurred in connection with using the Service, if you access the Internet using our dial-up Internet access service.

2. Service Commitment.

2.1 Minimum Service Commitment. Your service plan requires a 24-month minimum service term ("Minimum Service Term"). If you terminate service prior to the expiration of the Minimum Service Term, you will owe (and your credit card, debit card, or bank account may be charged) the Termination Fee as described below. You may not downgrade your service plan to a lower service package until 30 days after activation of your WildBlue Service.

2.2 Term and Renewal. The term of this Agreement commences on the date your Service is activated and continues for the duration of the Minimum Service Term or unless terminated earlier by you or us in accordance with this Agreement. After the Minimum Service Term expires, the term of this Agreement will automatically renew on a month-to-month basis until

terminated by you or us in accordance with this Agreement.

2.3 Termination Fees. If you cancel the Service before completion of the Minimum Service Term or Extension Term, the Termination Fee is equal to the number of months left in your Minimum Service Term multiplied by \$15.00.

3. Who May Use The Service? - Responsibility and Supervision.

3.1 Age and Account Set-Up. You represent that the Service will be installed and used solely in your residence and not in any commercial, retail or other business location (other than a home office in your residence). You represent that you are at least 18 years of age. You agree that you are responsible for obtaining installation services for the WildBlue Equipment from a Northland Connect Broadband-authorized installer and for verifying and maintaining the account, options, settings and other parameters under which the Service is used, including (without limitation) all related passwords and user identification information.

3.2 Multiple Use of Account. Up to three computers in your residence and up to six family members who permanently reside in your household may receive Northland Connect Broadband Services under a single billing account. For Select and Pro service plans, up to eight computers in your residence may receive WildBlue Services under a single billing account. Your "household" is limited to the single address where you reside and where the Service is initially installed. It does not include adjacent apartments, residences, offices or any type of space not physically associated with your address. Any use of the Services other than as specified above constitutes an unlawful and unauthorized use of the Service and a material breach of this Agreement, regardless of whether you receive any compensation for such use, and may result in the immediate termination of the Service and the imposition of the Termination Fee, without prejudice to any rights and remedies available to Service Provider under this Agreement, at law and at equity.

3.3 Installation of Equipment. You represent that there are no legal, contractual or similar restrictions on the installation of the WildBlue Equipment in location(s) you have authorized. It is your responsibility to ensure compliance with all applicable building codes, zoning ordinances, homeowners' association rules, covenants, conditions, and restrictions related to services provided under this Agreement, to pay any fees or other charges, and obtain any permits or authorizations necessary for services provided under this agreement (collectively "Legal Requirements"). You are solely responsible for any fines or similar charges for service in violation of any applicable Legal Requirements. You acknowledge and agree that we or our service provider will be required to access your premises or system and to install and maintain the WildBlue Equipment, including the antenna and its components, necessary for you to receive the Service inside and outside your home. This will include attaching a satellite modem to your computer, installing software on your computer, if applicable, and configuring your computer for optimized performance of the Service. By signing this Agreement, scheduling a service or installation visit, and permitting us or our service provider to enter your home, you are authorizing WildBlue or our service provider to perform all of the above actions. NEITHER NORTHLAND CONNECT NOR OUR SERVICE PROVIDER SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY LOSSES RESULTING FROM INSTALLATION, REPAIR OR OTHER SERVICES, INCLUDING WITHOUT LIMITATION, DAMAGE TO

YOUR PREMISES, LOSS OF SOFTWARE, DATA OR OTHER INFORMATION FROM YOUR COMPUTER. You are responsible for backing up the data on your computer and we highly recommend that you do so prior to permitting access to us or one of our designated service providers. Timeframes for installation, if any, are not guaranteed and may vary depending on the types of services requested and other factors.

3.4 Subscriber Responsibility. You agree that you are responsible for all access to and use of the Service through your account or password(s) and for any fees incurred for Service, or for software or other merchandise purchased through the Service, or any other expenses incurred in accordance with the terms of this Agreement. You acknowledge that you are aware that areas accessible on or through the Service may contain material that is unsuitable for minors (persons under 18 years of age). You agree to supervise usage of the Service by minors who use the Service through your account. You ratify and confirm any obligations a minor using your account incurs or assumes and any promises or permissions such minor makes or gives. You acknowledge that an owner's manual or similar material was provided to you at the time of installation of your WildBlue Equipment and that you have read and understand the manual and all product warnings contained in the manual.

4. Fees and Payment.

4.1 Fees, Taxes and Other Charges.

a) Statement. You understand and agree that you will not receive a paper statement in the mail for your Service. An electronic statement will be sent to your northlc.com email address. You may change the address that electronic statements are sent to by contacting our billing department at (866) 567-1919

b) Payment. You agree to make payments via monthly credit card charges or electronic funds transfer, as described in Section 5.2.

c) Late Payment. For late payments and suspended accounts, the fee is equal to the lesser of (i) \$5.00 per month plus 1.5 percent of the bill; and (ii) the maximum amount permitted under applicable law. Such charge shall apply monthly until all delinquent amounts are paid in full. If your EFT or credit card payment fails to be honored by your bank or other financial institution, we may charge you a collection fee equal to the lesser of (i) \$25.00; and (ii) the maximum amount permitted under applicable law.

4.2 Payment Authorization. Except where additional methods of payment are specifically required or permitted under applicable law or regulation or as otherwise agreed to by Northland Connect Broadband from time to time, you agree that Northland Connect Broadband can charge your credit card or debit card ("Card Payment"), or initiate an electronic funds transfer out of your bank account ("EFT Payment") for payment of all Service fees, the Termination Fee or any other amounts payable under this Agreement. Additionally, you agree that Northland Connect Broadband will bill your monthly Service fee and lease fee (if applicable) in advance, and such fees will automatically be collected through either a Card Payment or EFT Payment. With respect to such charges the following authorization applies: You described above will be billed to the credit or debit card provided by you when you applied for the Service until such time as you

may authorize recurring EFT payments. You must provide current, complete, and accurate information for your billing account, and promptly update any bank account number) and contact email address. Changes to such information can be made by calling Northland Connect Broadband. If you fail to provide us with any of the foregoing information, you agree that Northland Connect Broadband may continue charging you for any service provided under your account. In addition to administrative fees that you may owe, if we are unable to process your credit to debit card at any time or we otherwise do not receive electronic payment from you by its due date, your account may be immediately suspended and you will remain responsible for all amounts payable by you to us. If we do not receive your payment before your next statement is issued, your account may be terminated due to your default or nonpayment and such termination may result in a Termination Fee owed by you. Your card issuer agreement governs use of your credit or debit card payment in connection with this Service and you must refer to that agreement with respect to your rights and liabilities as a cardholder. If we do not receive payment from your credit or debit card issuer or its agent, you agree to pay us all amounts due upon demand by us. You agree that Northland Connect Broadband will not be responsible for any expense that you may incur resulting from overdrawing your bank account or exceeding your credit limit as a result of an automatic charge made under this Agreement. Credit card payment is not required for residents of State where payment by credit cards may not be made mandatory.

4.3 Disputes and Partial Payments. If you think a charge is incorrect or you need more information on any charges applied to your account, you should contact our billing department. You must contact us within 45 days of receiving the statement on which the error or problem appeared. We will make available to you a statement for each billing cycle showing payments, credit purchases and other charges. We will not pay you interest on any overcharged amounts later refunded or credited to you. We may, but are not required to, accept partial payments from you. If partial payments are made, they will be applied to amounts owed by you starting with the oldest outstanding statement. If you send us checks or money orders marked "payment in full" or otherwise labeled with a similar restrictive endorsement, we can, but are not required to, accept them, without losing any of our rights to collect all amounts owed by you under this Agreement. If we choose to use any collection agency or attorney to collect money that you owe us or to assert any other right that we may have against you, you agree to pay the reasonable costs of collection or other action including, but not limited to, the costs of a collection agency, reasonable attorney's fees, and court costs.

4.4 Reactivation. To reactivate suspended Service, you must bring your account up to date through the month of reactivation by making payment in full of any outstanding balance, fees and other applicable charges. In addition, we may require a deposit before reactivating your Service. The amount of the deposit will not exceed one year of monthly fees. Amounts deposited by you will appear on your statement as a credit, and service charge and other fees will be invoiced as described above. If you fail to pay any amount on a subsequent bill, the unpaid amount will be deducted each billing cycle from the credit amount. Credit amounts shall not earn or accrue interest.

4.5 Credit Inquiries and Reporting. You authorize us to make inquiries and to receive information about your credit experience from others, including credit reporting agencies, enter this information in your file and disclose this information concerning you to appropriate third

parties for reasonable business purposes. In the case of late payment or non-payment for any of the Services ordered by you or any other charges, you understand and agree that we may report such late payment or non-payment to the appropriate credit reporting agencies.

5. Modifications, Rights of Cancellation or Suspension.

5.1 Modification of this Agreement. Upon notice published over the Service, We may at any time (and from time to time) modify this Agreement, including, without limitation, our pricing and billing terms. We may, but are not required to, notify you by e-mail, online via one or more of the websites within the Service or other electronic notice. If you do not agree to such changes or additions, then you must terminate this Agreement in accordance with Section 6.3 and stop using the Service prior to the effective date of such modifications. Your continued use of the Service after the effective date of such modifications constitutes your acceptance of such modifications.

5.2 Modification of the Service. We and/or WildBlue may discontinue, add to or revise any or all aspects of the Service in our sole discretion and without notice, including access to support services, publications and any other products or services ancillary to the Service. In particular, we reserve the right at our sole discretion to modify, supplement, delete, discontinue or remove any software, file, publications, information, communication or other content provided to you by us, Northland Connect Broadband or our vendors in connection with the Service. If we undertake any of these changes, we may, but are not required to, notify you by e-mail, online via one of more of the websites within the Service or other electronic notice. In addition, we may take any action consistent with our Acceptable Use and Fair Access Policies, including actions to (a) prevent bulk e-mailing from entering or leaving any e-mail account or the network e-mail system, (b) delete e-mail messages if your e-mail account has not been accessed by you within a time established by us from time to time, in our sole discretion, (c) instruct our system not to process e-mail or instant messages due to space limitations, (d) make available to third parties information relating to us or its subscribers, subject to our Subscriber Privacy Policy, (e) withdraw, change, suspend or discontinue any functionality or feature of the Service, (f) delete attachments to e-mail due to potentially harmful materials included within such attachment, and (g) limit access to the Service to prevent abusive consumption and ensure fair access for all subscribers.

5.3 Termination by Subscriber. Subject to your payment of the fee for Services for the full billing cycle in which termination occurred, you may immediately terminate this Agreement and discontinue your Service at any time upon e-mail or telephone notice to us. You must terminate this Agreement in accordance with its terms; failure to do so may delay or prevent us from knowing that a termination was intended. You will continue to be liable under this Agreement for all fees and charges until such time as the Agreement has been properly terminated or we have acknowledged such termination in writing or by e-mail.

5.4 Termination or Suspension by Service Provider. We may immediately terminate your Service and this Agreement if you or a user of your account breaches this Agreement. We

reserve the right in our sole discretion to terminate your account and this Agreement at any time or to suspend (with or without notice) or terminate access to or use of the Service, in whole or in part.

5.5 Post-Termination or Suspension Obligations. Notwithstanding any cancellation or termination of this Agreement or any of your accounts, nor any suspension or termination of access to or use of the Service, you will remain responsible for all payment and other obligations under this Agreement, including the obligation to pay all charges that may be due as a result of or in connection with such cancellation, termination or suspension. Your payment and other obligations under this Agreement are not suspended or affected by a suspension of access to or use of the Service, in whole or in part, due to a violation (actual, threatened, or alleged) of this Agreement or of any law or legal obligation by you or any user of your account.

6. Permitted Use and Restrictions on Use.

6.1 Software License. Subject to the terms of this Agreement, we grant you a personal, non-exclusive, non-assignable and nontransferable license to use and display the software provided to you in connection with the Service (including any updates) only for the purpose of accessing the Service ("Software") on any machine(s) on which you are the primary user or which you authorize to use. The provisions of any Sections of this Agreement, which by their nature should continue, shall survive any termination of this Agreement.

10.6 Miscellaneous. If any term of this Agreement is found by a court of competent jurisdiction to be invalid, illegal, or unenforceable, it shall be construed in such a way as to eliminate the offending aspects while still giving as much effect as possible to the intentions of such term. If this cannot be done and the entire term is invalid, illegal, or unenforceable and cannot be so repaired, then the term shall be considered to be stricken from this Agreement as if it had not been included from the beginning. In any such case, the balance of this Agreement shall remain in effect in accordance with its remaining terms notwithstanding such invalid, illegal, or unenforceable term. We may enforce or decline to enforce any or all of the terms of this Agreement in our sole discretion. In no event shall we be required to explain, comment on, suffer liability for or forfeit any right or discretion based on its enforcement, non-enforcement, or consistency of enforcement of these terms. Captions used in this document are for convenience only and shall not be considered a part of this Agreement or be used to construe its terms or meaning.

10.7 Assignment of Account. We may sell, assign, pledge, or transfer this Agreement, the lease addendum, your account or an interest in your account to a third party without notice to you. In the absence of a notice of such sale or transfer, you must continue to make all required payments to us in accordance with your statement.

10.8 Entire Agreement. This Agreement, as well as the additional online documents specifically incorporated as a part of this Agreement, constitutes the entire and only agreement with respect to its subject matter between you and us, applicable also to all users of your account.
